Sorrene releases "Caught Me On A Bad Day"

2023 La Voix Quebec alumni Sorrene enters into the rock country scene with a new country rock single, "Caught Me On A Bad Day"

***That's the way it goes sometimes
You can't always walk in the sunshine
It's just a moment of weakness
I ain't usually like this
You just caught me on a bad day...***

Craving a BIG song with powerful vocals and addictive hooks ? We'll Sorrene may have just released your favorite new song!

Lead by Canadian record producer *Dan Stobbs* (Producer of *Phil Lauzon*), songwriter/artist, *Kevin Bazinet* (winner of *La Voix 2015*), and 2021 *Star Academie* stand out/ multi instrumentalist *Jacob Roberge*, "Caught Me On A Bad Day" speaks about how anybody can have a bad day , like ANYBODY, and that's ok ! The important thing is to realise, "That's the way that it goes sometimes, you can't always walk in the sunshine," as spoken about in the fascinating lyrics.

With a masterful vocal produced by the one and only *Kevin Bazinet* , Sorrene shows her incredible power and vocal capabilities in a very strong performance on this cut. Supporting the vocal is a *Dan Stobbs* branded New Country Rock sound that's sure to please fans of both genres!

***Caught Me On A Bad Day* was written by some real Nashville / Canadian songwriting heavy hitters like *CCMA* nominated *Jake Mathews*, *Grammy* winner *Josh Osborne*, and *Academy of Country Music Award* winner *Trevor Rosen*. The musicians on the track are also some of the very best in Quebec and are sure to impress, with their incredible talents coming together on such an epic track.**
